

FOUNDATION
COLORADO MESA UNIVERSITY

Dear WCCA,

I sincerely thank you for the scholarship that you have awarded me for the 2025-2026 academic year. Your generosity cannot be understated, as it will help me to reduce the amount of student loans that I will need to take out in order to pursue my education. It will also help me by contributing to costs regarding resources such as books and other supplies that I will need to have to be as prepared as possible.

I am going to begin my first semester as a junior August, despite having only graduated from high school this month. I am grateful for the opportunity that I had to accelerate through my freshman and sophomore years of college while I was attending high school, but I am even more grateful for the financial support that you have provided me with. I may not have been able to attend Colorado Mountain College and experience its well-recommended construction management track had I not been supported in this way.

Yet again, I'd like to thank you from the bottom of my heart for your generosity and kindness, which will be supremely helpful to me in affording my education so that I can pursue my desired career as a construction project manager.

Sincerely,

Danny Cardona

Danny Cardona

Freshman

BS of Construction Management

THANK YOU
