COLORADO MESA UNIVERSITY

Dear WCCA,

My sincere thank you for the scholarship of \$2,600 for the 2025–2026 academic year. It is a great honor to receive this scholarship. Especially as my first scholarship ever. As a Construction Management major and current industry professional, your generous support makes a meaningful difference in my academic journey. Thanks to this award, I will be able to take out fewer loans and reduce my stress levels which allows me to focus more fully on my studies, coursework, and continued growth in the field.

This scholarship not only eases financial burdens but also motivates me to continue striving toward my professional goals. Throughout my time at Colorado Mesa University, I have become increasingly passionate about construction management and the impact our industry has on communities. With graduation on the horizon, I look forward to applying what I've learned both in the classroom and on the job to real-world projects. I am deeply grateful for your support and hope to one day pay this generosity forward. Thank you again for investing in my future.

Sincerely,

*Benjamin Garcia*
