COLORADO MESA UNIVERSITY

Dear WCCA,

I want to sincerely thank you for awarding me the \$2,600 scholarship for the 2025–2026 academic year. Receiving this support means so much to me, and it will really help cover my tuition, books, and fees as I continue my education at Colorado Mesa University. I am majoring in Construction Management, and this scholarship allows me to focus more on my classes without worrying as much about finances. It motivates me to work harder and make the most of my time at CMU.

My goal after graduation is to start a career in the construction industry and use the skills I am learning to make a positive impact. I truly appreciate your kindness and generosity, I feel more confident about reaching that goal. Once again, thank you for supporting me and helping me move closer to my dreams.

Sincerely,

*Kyle Williams*
