

RFP Household Hazardous Waste Disposal Event Inquiry Responses

Responses in **bold**.

1. Will San Miguel County provide a forklift, or will this need to be part of the bid?
San Miguel County will provide a forklift for the event. The contractor shall provide a certified staff member to operate the forklift.
2. Will we need to provide roll-off for any trash collected from the event?
San Miguel County will provide a roll-off for trash collected at the event.
3. Items not part of bid (propane tanks, batteries lithium, nickel, lead acid, alkaline, and mercury thermometers, non-controlled medications, DEA controlled I-V, sharps)
Correct the items listed above are not to be collected at this event as the county has alternative ways to dispose of these materials for residents.
