

Addendum #4

Question #1 - What was the total spent under the 2025 contract?

The total for the 2025 contract was \$38,997.70.

Question #2 - Should the pricing form provided in the RFP-Requirements be altered to include the additional items requested or do you want a separate form?

Please provide all requested pricing information. It can be in one form.

Question #3 - The RFP-Project Description reads "Provide transportation for materials within ten (10) days of notification". The RFP-Requirements reads "Facility staff will provide ten (10) days' notice for establishing a pick-up date." Please clarify if the waste is to be picked up within 10 days of notification or a pick-up date is to be established within 10 days of notification.

The shipment is to be picked up within 10 days of notification from Eagle County Solid Waste and Recycling staff. If that is not possible, an agreed upon pick up date will be set.

Question #4 - Can the contractor complete the manifests and bill of lading?

Yes.

Question #5 - Is the receipt of the certificate of disposal tied to the payment of invoices?

No. Invoices can be sent prior to the "certificate of disposal".

Question #6 - The invoices for Clean Harbors that were provided include an offsite event that appears they provided labor to run the event. Does this contract include or do you anticipate the new contractor will be expected to run offsite events? If so, how many and at what location?

Yes. One event per year in Basalt, CO during the summer. The event for 2026 is scheduled for Saturday, June 27, 2026.
