

ADDENDUM #1

PROJECT: Rotary Park Irrigation Replacement
BID NO: 26-001
FROM: Jon Waschbusch
DATE: April 6, 2026

Clarifications and Additions

Based on feedback on the initial solicitation, the city will be adding design, construction and specification details for the project's intake structure, pumphouse and wet well. The city is currently working to add these additional details to the project plans. **Accordingly, this invitation to bid has been cancelled.** This project will be rebid once the updated plans are finalized.

Plan Revisions

1. None in this addendum.
