Summit County Snake River WWTP Request for Proposals Water Quality Laboratory Renovation Project

The Snake River Wastewater Treatment Plant (WWTP), an Enterprise Fund of Summit County Government ("County"), is requesting proposals from qualified contractors to provide design and renovation construction services for the modernization of its existing Water Quality Laboratory.

A full Request for Proposals and description of the work to be provided can be obtained at www.co.summit.co.us/Bids.aspx. Submit questions regarding the proposals to josh.johnson@summitcountyco.gov.

All proposals must be titled "Proposal for 2026 Water Quality Laboratory Renovation" and shall be electronically submitted to josh.johnson@summitcountyco.gov and kirsten.norman@summitcountyco.gov or by a sealed, hardcopy delivery mailed to the attention of Josh Johnson at: Snake River WWTP 4344 Swan Mountain Road Dillon, CO 80435 by 2:00 pm MST Thursday April 2, 2026. Proposals received after 2:00pm MST, will NOT be accepted.

At said time and place, all accepted proposals that have been duly received will be publicly opened and read aloud. The Contract will be awarded to the lowest responsible bidder who best meets the requirements of Summit County and the public interest.

Summit County Board of County Commissioners reserves the right to reject any or all proposals, to waive irregularities or informalities, and to conduct such investigations or negotiations as it deems necessary to select the most responsible and responsive proposal.
