

**City of Durango, Colorado
Request for Proposals**

Sealed proposals for the **Water Conservation and Drought Management Plan** will be received by the City of Durango until **3:00 PM (Local Time) on April 9, 2026**. The City of Durango, Colorado invites all interested, qualified vendors, capable of developing updated and combined versions of the existing Water Efficiency Plan (WEP) and Drought Response Plan (DRP) for the City of Durango Public Works Department Utilities Division and City Manager's Office. City of Durango has applied for and was awarded a grant by the Colorado Water Conservation Board (CWCB) to perform this work. The scope of this effort will consolidate information from the City's existing Water Efficiency Plan and Drought Management Plan into a new plan document. Specifically, the City of Durango wishes to clarify the scope of each plan, creating one document that includes two distinct sections listed in the bid documents.

Bids must be submitted via Rocky Mountain E-Purchasing, www.bidnetdirect.com/colorado. It is the sole responsibility of the bidder to see that the bid is received before the submission deadline. Late bids will not be considered.

Bid documents and/or supporting information may be downloaded, at no charge, from the following website: www.bidnetdirect.com/colorado. Click on "Vendor Registration" or "Vendor Login", as applicable. Bidnet # 1-800-835-4603

The City of Durango reserves the right to reject any and all bids, to waive any informalities and minor irregularities in bids, and to accept the bid deemed, in the opinion of the City, to be in the best interest of the City of Durango.

This project is being bid in accordance with the City of Durango Purchasing Policy.
