

The City of Alamosa is accepting sealed bids at the City of Alamosa Public Works Department, 300 Hunt Avenue, **until 1:00 P.M., March 26th, 2026**, for the 2026 Street Maintenance Program of Plant Mixed Seal coat on several streets within the City of Alamosa.

NOTICE: The proposed PMSC work for 2026 is in a high-traffic area with businesses having limited access. The city is requesting that some work be completed at night during off-hours for the affected businesses.

All phases of the PMSC project are to be completed prior to the close of business Thursday, September 24th, 2026.

All bids submitted, and all work completed, shall be in full compliance with:

- The plans and Specifications for the project
- Any special provisions for this project, and
- The 2022 City of Alamosa Standard Construction Specifications, as amended.

Envelopes containing bid proposals shall be addressed as follows:

Harry Reynolds
Public Works Director
Department of Public Works
City of Alamosa
Post Office Box 419
Alamosa, Colorado 81101

Bids may be hand-delivered to the Public Works Department, 300 Hunt Avenue, Alamosa, Colorado. The bid must be placed in one envelope, securely sealed and clearly labeled "2026 Street Maintenance Program", in addition to the name of the bidder and the bidder's address on the outside of the envelope. The City of Alamosa shall not be responsible for premature opening of bids not properly

labeled. All bids are to be submitted on the basis of cash payment for the work and materials.

Only those bids received by the Public Works Department on or before the aforesaid date and hour set for closing of this Invitation for Bid (IFB) will be eligible for consideration. Any bid received after the closing time, regardless of the method of delivery, shall be returned unopened to the bidder. Bids may not be withdrawn after closing time.

All bids shall be evaluated, and selections will be made as soon as possible after the bid opening.

The City of Alamosa reserves the right to reject any and all bids, to waive formalities and informalities, and to award orders for the items described either in whole or in part, if it seems to be in the best interest of the City to do so.

Any and all questions shall be submitted in writing prior to the close of business on March 19th, 2026, by electronic mail to rsmith@ci.alamosa.co.us. Questions and responses will be posted on the City website as soon as possible thereafter.

The Plant Mix Seal Coat Program consists of applying a 1-inch overlay with a tack coat underneath on approximately 13,295 square yards of street surface. A leveling course may be required and has been identified as such on the bid form (No quantity estimates have been given for the leveling course) this is the bidder's responsibility. A list of the streets scheduled to be overlaid is included.

The City has a limited budget for the 2026 Street Maintenance program and therefore reserves the right to adjust the quantities to fit within the financial limits of the program based on the bids received. The listed measurements and quantities are estimates for bidding purposes only.

The successful bidder will be expected to enter into an Agreement for Professional Services with the City of Alamosa. Bids shall be submitted on the bid form attached to the request for proposals.
