NAVAJO TRIBAL UTILITY AUTHORITY
AN ENTERPRISE OF THE NAVAJO NATION

By the team's request:

"After further reviewing the site layout and visiting with vendors, and understanding some significant potential cost savings, the NTUA is interested in an alternate proposal format for the 3 MW system using the area shown herein. If the vendor is able to design a 5 MW system within that space, NTUA is also interested in reviewing that submittal."

*See attached 3MW Alternate Layout and GEO Report.
