

ADDENDUM NO. 3
April 30, 2026

The following changes, additions, and/or deletions and clarification are hereby made part of the CONTRACT DOCUMENTS FOR BEAVER CREEK INFILTRATION GALLERY for which are to be received by **noon Tuesday May 5, 2026**. This ADDENDUM NO. 3 takes precedence over the original Contract Documents as noted. Except as presented herein, all other conditions of the contract remain as presented in the original Contract Documents.

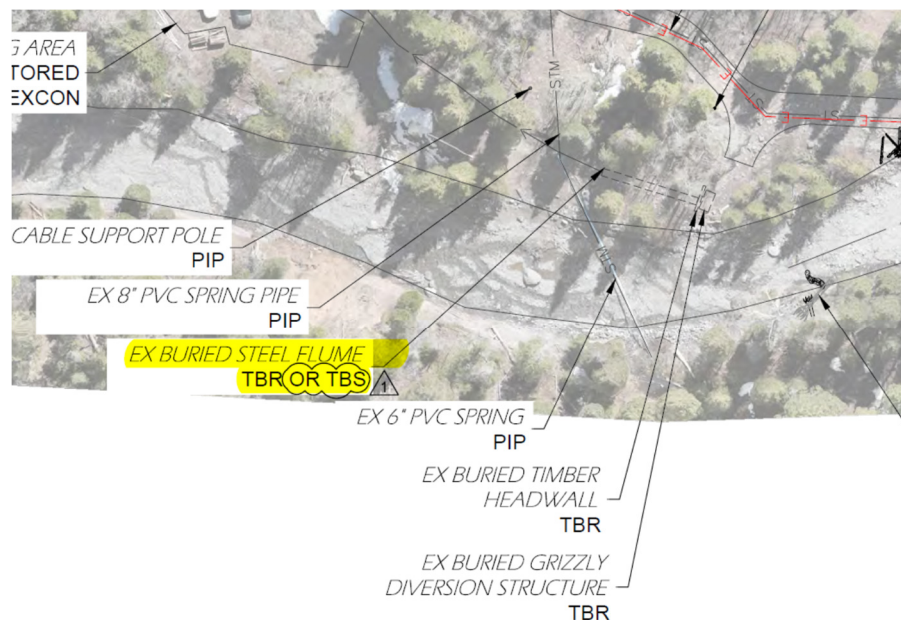

The bidder shall acknowledge receipt of this Addendum by inclusion of a signed copy of this addendum with the bid form.

MODIFY: [SECTION 00300 BID] Beaver Creek Restoration – Infiltration Gallery Bid Form Modify Bid Alternate C as follows:

BID ALTERNATE C – METAL TROUGH REMOVAL						
41	02 41 13	Salvage Metal flume/ trough	100	LF	S	\$ -
			TOTAL BID ALTERNATE C			\$ -

NOTE: Alternate C should include just the added cost to salvage the flume/trough rather than just remove and dispose.

CLARIFY: [SECTION 02 4113] Sheet C-1, Clarify that the removal highlighted in the snapshot below includes removal of about 100 LF of debris buried steel flume / trough.

SUPPLEMENTAL INFORMATION: In order to give bidders an idea of the look of the flume / trough, the Town posted two pictures on the town website of the structure taken during fabrication site. A link to the site is below. These pictures intended to give bidders an idea of the appearance of the structure to be removed but the photos are NOT part of the bidding or contract documents.
