

ATTACHMENT B: BID FORMS

The Bidder shall complete the Bid Forms for each task by entering a unit price for each item listed. A minimum of one unit price must be provided for each item type (equipment, materials, and labor). There are extra lines provided should the Bidder need them. The Bidder must provide a grand total for Task 2 and Task 3. Failure to provide pricing for all tasks may result in the bid being rejected.

Task 1: Crack Sealing (fixed budget)

Item Type	Description	Price	Unit
Equipment	Truck	\$	Price per day
	Hand tools, blowers, etc.	\$	Price per day
