

ROAD & BRIDGE DEPARTMENT

RYAN RIGHETTI, ROAD SUPERINTENDENT

Request for Quote: Material Hauling

San Miguel County Road and Bridge is looking for contractors with commercial vehicles to assist with hauling material to various projects throughout the County primarily in the Telluride and Norwood areas.

San Miguel County will work with the contractors to schedule dates and locations of material to be loaded and delivered. Loading locations may be in the Montrose area or from locations within San Miguel County.

We are asking for those interested in being added to the vendor list to fill out and return this form.

Please list the cost per hour for the following vehicles (including operator).

Standard 10yd three axle dump truck _____.

Super dump or Quad 20-25ton dump truck _____.

Belly dump with tractor _____.

Name of contractor or vendor: _____

Location: _____
