**ADDENDUM NO. 1: AFB – CITY OF CORTEZ
2026 ONE-TON DUALY TRUCK**

The following changes, additions, and/or modifications have been made to the Contract Documents and Specifications, and/or the plans, and shall be reflected in the Contractor's bid for the work.

This Addendum No. 1 shall be acknowledged in the submitted proposal package.

This Addendum No. 1 consists of the following:

- **Questions & Answers #1 - #28 (3 pages)**
-

Questions & Answers:

1. *Would the City be okay with the standard 3.73 rear axle or would the city prefer to add the optional 4.30 limited slip rear axle with the gas engine to the specifications?*
A. Yes, add the 4.30 limited-slip rear axle.
2. *Would the City like to have a trailer brake controller added to the vehicle specifications?*
A. Yes, add a trailer brake controller.
3. *Will the city be adding a snowplow to this vehicle? If so, would the City like to add the Ford "Snowplow Prep" package to the chassis specifications?*
A. No.
4. *What color would the city like for the chassis?*
A. White body, black chassis.
5. *Would the City like to add "under body skid plate protection" to the chassis specifications with the chassis being a 4x4?*
A. No.
6. *Would the City like a spare tire added to the chassis specifications?*
A. Yes.
7. *Is the City okay with the standard power equipment package that comes with the 2027 F350 chassis?*
A. Yes.

8. *What kind of material on the dump body? Stainless? Mild steel? What gauge on the floor, walls, tailgate, etc.?*
A. Mild steel. 10-gauge.
9. *What kind of hoist? Underbody scissor lift?*
A. Electric, underbody scissor.
10. *What length on the dump body?*
A. 12 feet long.
11. *How high are the side walls?*
A. 12-inch side boards.
12. *How high is the tailgate?*
A. 12-inch tailgate.
13. *What size toolboxes? Frame mounted right?*
A. Yes, frame mounted. Whatever will fit in the available space.
14. *Square headache rack, or tapered?*
A. Tapered.
15. *What kind of window on the headache rack?*
A. Expanded metal.
16. *Beacons or lights on the body or headache rack?*
A. One beacon on each side of the arrow board (two total), pivoting.
17. *What size arrow board? Mounted where? Fixed, or articulating? How many lights?*
A. 30-inch x 60-inch, articulating, 15-light pattern.
18. *On the hitch, you need electrical right? What kind of plug?*
A. Yes. Seven pin flat.
19. *What is the wheelbase or cab axle needed for the vehicle?*
A. The wheelbase is 179 inches.
20. *Are you wanting a true dump body for the vehicle or a dumping flatbed?*
A. Dumping flatbed.
21. *If a flatbed is what is needed, how tall do you need the sideboards and tailgate?*
A. 12-inch sideboards and tailgate.
22. *What is the minimum width for the toolboxes?*
A. Whatever will fit in the available space.

23. *Is the arrow board being supplied? If not, is it a fix positioned board or pivoting? Or would you like the arrow lights mounted to the headache rack?*
A. Manufacturer is to supply the arrow board. Pivoting and mounted to the headache rack.
24. *Can you confirm the length of the body the end user wants is 9 ft. or 11 ft.?*
A. 9-½ feet.
25. *On the arrow board do they have specifics they could give us? Size, # of lamps, functions, etc.?*
A. 15-light, 5-pattern, mounted to headache rack, pivoting, 30-inch x 60-inch.
26. *Where is the arrow board mounted on the body?*
A. It is to be mounted on the headache rack.
27. *Are out of state bidders welcomed?*
A. Yes. However, a local vendor preference will be applied as stated in the original Advertisement for Bid.

**Bid Due Date and Time Remain the Same:
Thursday, July 16, 2026, at 3:00 PM MDT**

END ADDENDUM NO. 1
